Program driven by: Self Driven Activity

Program /Activity Name: Startup Bootcamp and Industrial Visit

Event Name: Startup Bootcamp and Industrial Visit

Venue: SP-TBI Terminal 2 , Bhavans Campus, Andheri West, Mumbai

Date: 16th October 2019

The startup Bootcamp was inaugurated by an opening speaker session by the COO of TBI, Mr. Chandrabhan Singh who gave a warm welcome to the first year students. He emphasized upon the importance of SP-TBI and how students should use the resources of TBI to explore more about the world of startups and entrepreneurship. He also motivates students to think out of the box and develop interesting Technological solutions. This was followed by the talks by some of the most popular startups In SP-TBI - PODS Ventures, Skinzy and Damacloid. All talked about what made them think out of the box and come up with such ideas, the various challenges they faced to come up to the level and also how their journey has been. Each and everyone had some interesting and inspiring stories to discuss. All of them except sharing their experiences had a common thing to say which was that there is no specific no time to start a startup but just a small idea which could be even during the college days.
